

A TRIBUTE TO ALL WHO SERVED THIS  
COUNTRY IN THE ARMED FORCES  
FROM THE TOWN OF GENOA

This book is dedicated to all who served this country in the armed services from the Revolutionary War to the present time. We wish to thank all who have contributed information to make this book possible. We want to thank the Genoa Town Board and The Genoa Historical Association for their support of this, and a special thank you to Maxwell and Alma Smith for their many long hours of compiling and organizing this material. Also, thanks to Patsy Sellen for assisting in the typing and arrangement of all the material.

We realize that we lack information from some former members of the service and some who are at the present time serving our country. If you have anything to change for a possible revision in the future, please contact the Genoa Historical Association.
